A WORD IN REGARD

TO THE

THE SEWING MACHINE is one of the reatest improvements of the age, and at this

and will have one. This fact appears to be

perfectly understood by all Sewing Machine Companies, consequently every company is

making every effort in their power to put their machines forward, and to make sales as

employed are not fit for the business, conse

Machine Agents, and everyone claiming to have

he best machine, when, in fact, they know usiness has become a nuisance—it is over-

lone and overrun with unprincipled agents,

in the reach of every family. The New Wil-

son stands to-day at the head as being the best, the simplest, the easiest to manage, the most

other machine in America, and is sold for

\$25.00 less than any other first-class machine.

bination." This machine is sold for just what

Store in Fremont, and has sold Five Hundred

Machines, and nearly all have been sold in

Sandusky County, and I have never yet had

an agent out soliciting sales or boring the peo

ple to buy. Every machine has been ordered This, I think, is the largest sale that has ever

been made in the county. This fact of itself

is certainly sufficient evidence that the machine is a good one. All other companies have

death to sell their machines, and in very many

way that you buy a dress, or a set of dishes, or a dollar's worth of sugar. There are now

some six or sight different kinds of Sewing Machines represented in this city, try them all, select for yourself, and do not be humbugged by agents, and nine out of every ten will buy the Wilson.
